

Pallavi Pradhanya N

Nagarbhavi, Bangalore 560072

9945583516 | pradhanyapallavi@gmail.com

Objective

To utilize my technical skills and provide a professional service to customers by applying and honing my knowledge and working in a challenging and motivating working environment. Computer Science (AI & ML) student with strong interest in software development, artificial intelligence, computer vision. Skilled in Python, SQL, HTML/CSS, and JavaScript with hands-on experience in developing web applications and AI-based solutions. Passionate about problem-solving, continuous learning, and contributing to innovative projects.

Education

- Global Academy Of Technology** 2027
Computer Science AIML and Engineering
8.02
- RNS Composite PU College** 2023
12th
89%
- The New Cambridge High School** 2021
10th
90%

Experience

- BHEL** -
Software Developer Intern
 - Developed a full-stack web application to automate employee incentive management, replacing manual calculations and record maintenance
 - Designed and implemented Admin Dashboard and Employee Dashboard with Role-Based Access Control, secure authentication, and authorization.

Skills

- Programming Languages: Java, Python, SQL, JavaScript
- Web Technologies: HTML5, CSS3, React.js
- Databases: MySQL, PostgreSQL, MongoDB
- Data & AI/ML: NumPy, Pandas, Computer Vision, Machine Learning
- Core Computer Science: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks

Projects

- Autonomous Post Quantum cryptographic threat detection across critical iot networks**
A security framework leveraging post quantum cryptographic algorithms to autonomously detect, classify and neutralize emerging cyber threats targeting the IoT infrastructure in real time.
- AI- Interview Assistant**
AI powered interview preparation platform that simulates real time mock interviews, Providing feedbacks on response and technical accuracy.
- Hand Sign Translator**
Developed a real-time hand sign recognition system using Python, OpenCV, and MediaPipe. Used computer vision techniques for accurate landmark detection and gesture recognition.

Achievements & Awards

- Represented Karnataka in All India Inter University Netball Tournament - 2025
- Represented Karnataka and secured Runner-up at Under 19 National Netball championship - 2023
- Winner VTU State-level Netball Tournament-2025
